WHO WE ARE

Founded in 1872, Virginia Tech lies in the heart of the Blue Ridge Mountains. We call Blacksburg home.

As a comprehensive, world-class research university reimagining how education and technology intersect, we are a dedicated community of students, professors, and researchers coming together to innovate and achieve.

A COMMITMENT TO SERVICE

- ▶ We're home to the largest collegiate Relay for Life fundraiser in the country with over \$6 million raised since 2000 for the American Cancer Society.
- ▶ Each spring, thousands of Hokies give back to the local community through The Big Event as they complete over 1,200 service projects.
- ▶ Members of the Virginia Tech Corps of Cadets live the leadership experience 24/7 and stand ready to serve.
- ▶ Virginia Tech's Campus Kitchen has diverted over 239,000 pounds of unserved food from the dining halls to local hunger relief agencies since 2015.

WHERE WE ARE

Nestled in the beautiful New River Valley amongst the backdrop of Virginia's Blue Ridge Mountains, Blacksburg offers students and residents a true college-town experience. Campus is just a short walk from a lively downtown scene filled with unique restaurants, boutiques, and activities. Whether it be festivals, hiking, the farmers market, or concerts, there is always something fun to enjoy in Blacksburg.

COME VISIT

What's the best way to try Virginia Tech on for size? Visit! You have an open invitation to come see the university. We host large-scale visit events several times throughout the year, so you can learn about academics, student support services, global education options, and much more in just one day. Or you can schedule a daily visit on a weekday when classes are in session. A daily visit includes an admissions information session and a student-guided campus tour. You can also add a college-specific information session! Can't make it to Blacksburg? That's OK! Transfers can take part in numerous virtual programs and services offered throughout the year, and you can even take a virtual campus tour online anytime.

IN-PERSON EVENTS

[VT.EDU/TVIEWBOOK/EVENTS](https://vt.edu/tviewbook/events)

DAILY VISIT (additional special transfer-focused sessions offered on select days)

YOUR JOURNEY SO FAR COUNTS

Transfer your experience. The time you've already spent in college will have tremendous value here, even if your school doesn't look like Virginia Tech. You've learned valuable skills that will give you an edge, and you want to take those skills as far as you can.

RESOURCES TO GET YOU WHERE YOU WANT TO GO

Completing foundational college coursework specific to your intended major is key to presenting a competitive transfer application. See requirements and recommendations for each transfer program on our Admissions Transfer Roadmaps.

[VT.EDU/TVIEWBOOK/ROADMAPS](https://vt.edu/tviewbook/roadmaps)

Want to see how your coursework could transfer to Virginia Tech? Check out the equivalency databases for evaluated coursework on our Registrar's Transfer Guide at:

[VT.EDU/TVIEWBOOK/GUIDE](https://vt.edu/tviewbook/guide)

Need some additional assistance with your transfer planning? Schedule an appointment with our Admissions and Advising team through the Hokie Corner Program. Virtual appointments are open to all prospective transfer students and in-person options are available to those studying at select partner community colleges.

[VT.EDU/TVIEWBOOK/HOKIECORNER](https://vt.edu/tviewbook/hokiercorner)

GROW INTO YOUR NEW ROLE

The Hokie Transfer Community is a collection of resources, support services, and student-led programming designed to help new transfer students transition to campus and build community. Learn the ropes from a transfer mentor, get help with your classes, meet and have fun with other transfers, and more!

VT.EDU/TVIEWBOOK/HTC

I wanted a community of other people that were in a situation like myself that I could talk to and make friends with. I learned how to converse with others much better than before. Having that sense of community let me feel more comfortable not just talking to people within the LLC, but also outside it. The transfer LLC is a tight knit community that is full of wonderful people. Even if you think you might not talk to people outside your dorm, they will come to you and make sure you feel welcomed. I truly think this is the best LLC to live in.

Alex Lee
Electrical and Computer Engineering, 2024

"Choosing to live in an LLC was the best decision I could have made. I lived in the Oak Lane Transfer Experience house and the relationships that were made will be ones that will last forever. The LLC gave me a sense of belonging when I first came to Virginia Tech and gave me the opportunity to connect with my peers."

Ashley Sparks
Psychology, 2022

FOCUSED LIVING

There are a few options for on-campus housing, one of them being our Transfer Experience Living Learning Community (TE-LLC).

[VT.EDU/TVIEWBOOK/LLC](https://vt.edu/tviewbook/llc)

Most transfer students, as with most upperclassmen, live off campus. There are countless choices for off-campus housing, with options to fit a wide array of budgets and preferred amenities, all with convenient access to campus.

[VT.EDU/TVIEWBOOK/OFFCAMPUS](https://vt.edu/tviewbook/offcampus)

STUDENT LIFE AND DINING

With over 900 clubs and organizations to choose from, you are sure to find your community as a Hokie. Explore your options at Gobblerfest each year - a festival at the center of campus dedicated to clubs and organizations. You will find clubs and organizations related to:

- ▶ Academics
- ▶ Belonging and Inclusion
- ▶ Special Interests
- ▶ Fraternity and Sorority Life
- ▶ Recreational Sports
- ▶ Religion and Spirituality
- ▶ Technology

And so much more. Use the QR code below to explore all of our offerings.

"Joining student organizations at Virginia Tech showed me that I would always have a shoulder to lean on. By joining Alpha Phi Omega and Hokie Ambassadors, I have gained a greater understanding of what Ut Prosim (That I May Serve) means. The people in these organizations are my forever family and have taught me how to be a leader and the best version of myself."

JT Faccone
Cinema and Public Relations, 2023

DINING

Dining Services at Virginia Tech caters to every appetite, which is one of the reasons that we've earned the No. 2 ranking for Best College Food in America. From made-to-order specialties in the market-styled West End Market to the award-winning all-you-care-to-eat dining experience of D2, Hokies enjoy a wide selection of options sure to please even the savviest of eaters.

"Dining Services has given me an employment opportunity that allows for flexibility and advancement. I am able to schedule my work hours around my class schedule, so my academics remain a priority. I also was allowed to select the dining facility in which I wanted to work. In addition, I have had the chance to demonstrate my leadership skills by earning a promotion as a student training coordinator. The hours, opportunities, and income have made working in Dining Services a positive decision for me."

*Jenna Wasielewski
Human Development, 2024*

DEADLINES

*Dates are current as of publication. For the most up-to-date deadlines visit the link below.

[VT.EDU/TVIEWBOOK/DEADLINES](https://vt.edu/tviewbook/deadlines)

***SUMMER/FALL ENTRY**

Application deadline: March 1

Notification in mid-April

Decide by: May 15 (Summer), June 1 (Fall)

***SPRING ENTRY**

SUBJECT TO PROGRAM AVAILABILITY AND CAPACITIES

Application deadline: October 1

Notification in early-November

Decide by: December 1

*Deadlines both domestic and international

GENERAL SCHOLARSHIP DEADLINE

Application deadline: Jan. 22

Transfer applicants must have applied for admission by around January 15th in order to complete the General Scholarship Application before the deadline. Missing this deadline could impact eligibility for certain scholarships.

FAFSA

Priority deadline: March 1

Completion by January 22nd is strongly encouraged. Transfer applicants should ensure Virginia Tech is listed in the updated FAFSA along with their current institution.

FINANCIAL AID AND SCHOLARSHIPS

Both the General Scholarship Application and the FAFSA must be completed by January 22 for scholarship consideration. Please note that the application for admission must be submitted to gain access to the General Scholarship Application. Summer/Fall transfers are encouraged to apply for admission by January 15 to have time to meet the General Scholarship Application Deadline and receive the fullest consideration for scholarships.

COST

***IN-STATE COST:**

Tuition and Fees: \$14,586

Room and Board: \$12,680

Additional Costs (Books, Supplies, Personal, Transportation, etc.): \$5,008

Total for in-state: \$32,274

***OUT-OF-STATE COST:**

Tuition and Fees: \$34,838

Room and Board: \$12,680

Additional Costs (Books, Supplies, Personal, Transportation, etc.): \$5,240

Total for out-of-state: \$52,990

***Above costs are estimates. Room and Board figures are for on-campus housing options. For the most up-to-date costs, scan the QR code or visit the link below.**

[VT.EDU/TVIEWBOOK/COST](https://vt.edu/tviewbook/cost)

***PROGRAM FEES:**

College of Agriculture and Life Sciences:
\$750 per year

School of Architecture and School of Design with majors in Architecture, Industrial Design, Interior Design, and Landscape Architecture: **\$1,500 per year**

College of Engineering: **\$2,000 per year**

Pamplin College of Business: **\$75 per credit hour** for 1000-4000 level courses

Program fees are subject to change.

APPLY IN 3 EASY STEPS

APPLY HERE ▶

For step-by-step guidance on each part of the admissions process,
visit this link: vt.edu/admissions/transfer/checklist

STEP 1

Submit your application online through Common App.

Prospective transfer students will use the Common App to submit the admissions application. There are six available Virginia Tech transfer applications—referred to as “programs” in Common App. You will select the appropriate application/program based on intended entry term and citizenship status.

STEP 2

Submit your academic materials.

After your admissions application has been submitted and processed, you will receive an email with instructions to create your Applicant Portal. From your applicant portal, you will be able to complete your Self-Reported Academic Record (SRAR), which will detail your complete academic history at the college or university level. This takes the place of transcripts for most applicants and will be used when reviewing your application. SRAR submission deadlines are one week after the admissions application deadline for the planned entry term.

STEP 3

Check your email while you wait for your decision.

Checking your email is an important part of the application process as it is our official way to communicate with you regarding your application. We will send you application updates, reminders of upcoming deadlines related to admissions and financial aid, invite you to upcoming events on campus or near your hometown, and more.

BROADEN YOUR EXPERIENCE

You aren't one-dimensional, so your academic experience shouldn't be either. Customize it! Add an element of research. Apply it with an internship or a co-op, where you put your classroom knowledge to work. Extend yourself by studying abroad. See who you become when you go beyond boundaries.

CO-OPS AND INTERNSHIPS

Co-op: A cooperative education experience, commonly known as a “co-op,” provides academic credit for structured job experience.

Internship: An internship is an opportunity offered by an employer to potential employees, called interns, to work at a firm or business for a fixed period of time.

RESEARCH

As Virginia’s leading research institution, Virginia Tech is focused on involving all students in the pursuit and discovery of new knowledge. Research can be lab-based. It can take place out in the field. You might work to understand the past, or maybe even forecast the future. No matter what you’re studying, there’s a role for you in our top 50-ranked research enterprise.

[VT.EDU/TVIEWBOOK/RESEARCH](https://vt.edu/tviewbook/research)

There are similarities and there are differences, but either way you’ll get great experience that will pay off in landing that first job. And Virginia Tech makes getting plugged in easy, through Career and Professional Development. The team brings hundreds of companies and firms to the university each year, so you can connect right on your own campus. **Ninety-three percent of students get career-related experience during their time at Virginia Tech.** Real-world experience that leads to real-world careers.

[VT.EDU/TVIEWBOOK/INTERNSHIPS](https://vt.edu/tviewbook/internships)

STUDY ABROAD

Challenge yourself to experience life in a different way. The opportunity to travel, learn, and grow starts in Virginia Tech's Global Education Office. Students study everywhere from Antarctica to Zimbabwe and on all seven continents. Virginia Tech even has its own international campus located in Riva San Vitale, Switzerland! The university offers 70 faculty-led study abroad programs and maintains exchange partnerships with 60 universities around the world. In programs that cover every academic major, you can expand your view and become a citizen of the world through study abroad.

VT.EDU/TVIEWBOOK/ABROAD

CORPS OF CADETS

Brotherhood, Honor, Leadership, Sacrifice, Service, Loyalty, Duty, and Ut Prosim. These characteristics are the foundation of the university, and members of the Virginia Tech Corps of Cadets live them out every day. The world needs great leaders, and the mission of the corps is to help nurture and create them. All cadets participate in the corps and join one of two tracks. The Military Track is made up of the Army, Naval (including the Marine Corps), and Air Force (including U.S. Space Force) ROTCs and they make up about 75% of the corps. The Citizen-Leader Track, for cadets pursuing promising careers outside of the military, makes up 25% of the corps. The corps is a four-year commitment to developing practical, ethical leadership skills. Whether serving in the armed forces or working as civilians, graduates of the program are making a difference in the world.

VT.EDU/TVIEWBOOK/VTCC

"I encourage you to challenge yourself and to not give up if you ever doubt yourself. Drive into the unknown. Recognize the fear of being uncomfortable and recognize how to navigate above it."

*Brooke L. Johnson, Regimental Commander
Animal and Poultry Sciences, 2023*

WE'RE HERE FOR YOU

THROUGHOUT YOUR JOURNEY

ACADEMIC ADVISING

Virginia Tech is committed to providing you with focused academic advising, where success is built on a platform of shared responsibility between you, your advisor, and the university. From day one, you are assigned an academic advisor to help facilitate your progress throughout your time at Virginia Tech and through graduation. Making informed and responsible academic and career decisions is critical to your success, and with the help of responsive professional and faculty advisors, you will be better equipped to take the lead in reaching your academic goals.

VT.EDU/TVIEWBOOK/ADVISING

STUDENT WELL-BEING

Live your best life! We encourage and empower Hokies to take an active role in their well-being. Our health and wellness departments provide support and resources in areas of mental health, physical health, substance misuse, financial wellness, physical activity, healthy relationships, and more. Additionally, Student Affairs is launching a bold vision to re-imagine the residential experience with an innovative residential well-being model that includes the use of embedded counselors and well-being and inclusion coordinators to promote well-being, student success, and inclusion.

[VT.EDU/VIEWBOOK/WELLNESS](https://vt.edu/viewbook/wellness)

INCLUSION & BELONGING

At Virginia Tech, we believe that the collaboration of cultures, ideas, and different perspectives is a university asset that brings forth greater creativity, innovation, and learning. Inclusion & Belonging programs allow students to develop meaningful relationships, build competencies and skills, recognize and value the diversity that is present within the Hokie Nation, and learn to live the Principles of Community. Cultural and Community Centers provide additional opportunities for students to engage in a safe, inclusive environment and develop an appreciation for cultural differences.

[VT.EDU/VIEWBOOK/BELONGING](https://vt.edu/viewbook/belonging)

GRADUATION AND CAREER

It all leads to this: the best day of the Hokie year. Virginia Tech graduates set out to claim their roles in making the world a better place. They are job-ready from day one. Hokies hire Hokies around the world, and Career and Professional Development at Virginia Tech is there to help recent alumni grow their career paths beyond graduation day.

- ▶ **86% Graduation Rate (national average: 62%)**
- ▶ **Top 20 Best Alumni Networks** *Princeton Review, 2022*
- ▶ **Top 20 Best Career Placement** *Princeton Review, 2022*

A young woman with a backpack is walking away from the camera on a snow-covered path. She is wearing a grey knit jacket, a white pom-pom beanie, black leggings, and brown boots. The background shows a snowy campus with bare trees, evergreens, and a street lamp. Another person is visible in the distance.

***ONCE A
HOKIE,
ALWAYS A
HOKIE***

There is a reason why Virginia Tech is consistently top-ranked for students and alumni who love their university. The Hokie Nation is a strongly interwoven community. As a Virginia Tech student, you can find alumni support before, during, and after your college experience. Before attending Virginia Tech, accepted students can find send-off events and scholarship opportunities hosted by their local Hokie alumni chapter. During and after your time at Virginia Tech, alumni provide additional scholarships, research and internship opportunities, and career connections. Virginia Tech supports our alumni throughout their lives by providing resources and services after their graduation. Know that no matter where you are in the world and in life, you will always have a Hokie nearby, rooting for your success and cheering you on.

"My experiences as a Hokie will forever hold a special place in my life. Whether it was through sporting events, friendships in the residence halls, and all kinds of learning moments inside and outside the classroom, I'm the person I am today because of Virginia Tech. Being an alumnus of Virginia Tech means I will always have a community I can count on in Blacksburg, anywhere in Virginia, and even all over the world. I love how Hokies always support Hokies, and I get the chance to cultivate that idea every day now in my current job at Virginia Tech."

Cory Van Dyke
Communications and Marketing Specialist
Virginia Tech School of Communication
B.A. Multimedia Journalism, 2020

"My Virginia Tech experience was incredible! I gained great experience during my four years, mainly through the clubs and organizations I joined. One of the ways that Virginia Tech prepared me for post-grad was with the connections from Pamplin's extensive alumni network. Hokies love helping Hokies, and I've found that to be true in my job search."

Liz Plum
Freelance Writer
B.S. Marketing Management, 2022

"The Virginia Tech experience provided opportunities for me to develop, synthesize, and evaluate skills, knowledge, and dispositions that nurtured self-confidence in pursuit of personal, academic, and professional aspirations in diverse contexts. Being an alum has been rewarding as the net that Virginia Tech has cast is far and wide. I have benefited both personally and professionally from the connections I have made due to my affiliation with Virginia Tech."

Robert Cobb, Jr.
Associate Professor at North Carolina A&T University
Virginia Tech
B.S. Technology Education, 1994
Ph.D. Curriculum Instruction -
Instructional Design and Technology, 2003

MAJORS

Majors available to transfer students are noted in the list on the right. All prospective transfer students interested in a discipline in the College of Engineering (including Computer Science and Computer Engineering) will now apply and be admitted directly to that major. Not all majors are available for every entry term and a specific entry term is recommended for some programs. Major availability may vary from year to year.

Majors are current as of publication. For the most up-to-date majors list and entry term availability, go to:

VT.EDU/TVIEWBOOK/MAJORS

Advising programs: Students interested in pre-professional preparation in areas such as medicine, dentistry, physical therapy, pharmacy, veterinary studies, and law may choose any major in any college, and may arrange to work with the appropriate pre-professional advisor to prepare for application and admission to the professional school of their choice.

1 All students are admitted to Neuroscience. Specific disciplines begin at the second year.
