| **2 semesters (6 hours) of math at the college algebra level or above. Recommend equivalent to MATH 1014 or higher, calculus-based course. Can also include statistics (equivalents to STAT 2004 or 3005).** | Choose from one of the following recommended sequences:  
Sequence 1  
MTH 154 or MTH 155  
and  
MTH 245  
Sequence 2  
MTH 154 or MTH 155 or MTH 245  
and  
MTH 167 or MTH 161+162* or higher, calculus-based course  
Sequence 3  
Select one or two courses from MTH 154, MTH 155, MTH 167* or higher, calculus-based course  
and  
Select one course from MTH 245 or PSY 213  
* MTH 161 + 162 if MTH 167 is not available. MTH 161 without 162 requires an online module to be completed at VT for MATH 1014 credit | Recommended |
| **2 semesters (6 hours) of a science such as Astronomy, Biology, Chemistry, Geology, or Physics.** | 2 semesters (6 hours) of a transferable science. Sequence preferred but not required.  
Select two courses from the following BIO, CHM, ENV, FOR, GOL, NAS, and PHY courses:  
BIO 100, 101, 102, 106,  
CHM 101 or 110, 102, 111, 112  
ENV 121, 122  
FOR 265  
GOL 105 and 106  
NAS 130, 131, 132  
PHYS 121, 122, 131, 141, 142, 150 | Q |
| COMM 2004 | CST 100 | Recommended |
| COMM 2014 | CST 110 | Recommended |
| COMM 2084 | CST 114 | Recommended |
| COMM 2024 | CST 228  
or  
ENG 221+222 (must take both to receive transfer credit) | Recommended |

**Required course** - In order to be competitive for admission, prospective transfer students must complete this course prior to transfer with few to no exceptions. Not every program has courses in this category.

**Strongly Recommended course** - Prospective transfer students are strongly encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Strongly Recommended course both fulfills certain degree requirements and can help create a more competitive application.
for admission, but prospective transfer students with otherwise strong applications could be admitted without this course. Not every program has courses in this category.

**Recommended course** - Prospective transfer students are encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but Recommended coursework should be pursued in addition to coursework listed from the Required and Strongly Recommended categories. Prospective transfer students with otherwise strong applications could be admitted without this course.

(Disclaimer) Admissions Transfer Roadmaps are a tool to aid in course selection and prioritization by intended program only. Completion of all equivalent Required courses or all equivalent courses listed from each category does not necessarily guarantee admission into that program. Final admissions decisions are made through a holistic review process and based on numerous additional factors, including but not limited to: overall and individual course performance, strength of applicant pool for intended program, and space availability.
